## **Fall – Winter 2019 - 2020**

News from the North Flats and Ponds

We, the wind sports enthusiasts did not enjoy as much wind as we would have liked over the summer, but did have some very memorable sessions. Coincidentally the best wind occurred when the flats were driest. Our hopes are for a windy and dry fall when all our friends visit to enjoy the beautiful waters we call home.

While we are hopeful the flats will be dry for the fall season, our backup is to utilize the convention center north parking lot, however do not park in designated fire lanes.

The city is moving ahead with a wind-sport/silent water sport park at the North flats, and as progress is made we will update everyone. We will continue to lease the property until it is finalized.

Take time to inform the Mayor and City Council members that access to the bay is the primary reason for your visit to the Island.

## **Fall Fajita Feast**

The Feast will be on November 7, around 7pm at Isla Blanca Park, a donation is encouraged.
