Fall – Winter 2020 - 2021

News from the North Flats and Ponds

The North Flats and Ponds will continue operation this Fall and into the Spring of 2021, after that it will depend on where the SPI Windsports Park lease ends and our lease begins. Work on the new park is expected to start the first of the year and completion mid 2021. See announcements on SOPADRE.COM for official information.

Outlaw Flats now has a posted NO TRESSPASSING sign and is barricaded. This creates a situation where the Convention Center, S Flats and the N Flats are the only 2 access point left to kite and windsurf the bay. This will put a lot more stress on the Pond area this fall. Everyone out there MUST have signed a release form and have a pass and wristband. No more free passes. Everyone that is a member should monitor anyone out there.

If the tides are high, leave room for others when you are setting up, please roll up your lines when you are taking a break. No unauthorized kite or windsurfing instruction.

If we work together, we can keep in good standing with the landowner and continue to lease the Pond.

As a club we are still negotiating and plan on having control over the Pond area, which is not part of the cities lease.

Swap Meets

Starting 9AM 10/31/20 and continuing thru 11/31/20, at the south end of the Louie's parking lot, get rid of your old stuff and help someone new get into the sport.
