2013 - 14 Winter Newsletter

The 2013 sailing year is nearly behind us. The year featured some of the hottest and some of the coldest sailing sessions that most people can remember. It was definitely not the windiest by average of many past years, but did feature a respectable number of high wind sailing days.

All in all, we had a very good year and are thankful that we still have a great launch and a beautiful body of water to go out and play in. We look forward to 2014 and seeing all the excited smiling faces enjoying our wondrous Laguna Madre launch site - Leo

For those of you that have the opportunity to come in May and June, it is still windy, the water is warmer and there are fewer crowds, try it.

2014 SPI Windsurfing/Kiteboarding Passes

A new year is upon us and everyone is looking forward to experience epic sailing in 2014. The South Padre Island Windsurfing/Kiteboarding Park will be ready for all to have a great time. The SPI Windsurfing/Kiteboarding Park is a private, gated launch with easy access, shade palapas and porta potties. There are always friendly folks and a Texas size beach to park and rig. The après sailing scene has featured BBQs, bonfires and trading stories of jibes and jumps.

We encourage all current member windsurfers and kiteboarders to sign back up for the New Year and urge you to encourage all your water people acquaintances to visit SPI and join South Padre Island Windsurfing/Kiteboarding. Contact Herman at sbssso@sbcglobal.net if you have any questions about passes.
